one of the most intrinsic significances of the daily christian life is spiritual warfare as it relates to the coming manifestation of the kingdom age the manifestation of the kingdom age will not come in and of itself in other words the coming manifestation of the kingdom will not come automatically on its own the fundamental truth of god s eternal purpose and planned economy according to god s planned economy there is the necessity of spiritual warfare to bring in god s kingdom of righteousness regarding god s eternal economy we need

to set forth the fundamental truths beginning from genesis you may ask what is god s planned economy well let s go back to the beginning when god stretched for the heavens and laid the foundations of the earth and formed the human spirit of man within him zechariah 12 1 moreover genesis 1 26 indicates that god had a plan in creating the universe with the spirit of man within him according to genesis 1 26 god said let us make man in our image and after our likeness and let them have dominion over the fish of the sea and over the birds of heaven and over the cattle and over all the earth and over every creeping thing that creeps upon the earth god s divine intention in creating tripartite man was to carry out his divine economy that god in christ through the spirit to dispense himself as life into man so that god may have his habitation dwelling place reproduction and expression within man thus god created man as three parts the body soul and human spirit when god created man s body he then breathed into man s nostrils the breath of life that breath formed man s human spirit man s human spirit has three parts the conscience fellowship and intuition moreover when man s human spirit came in contact with his body that contact became man s living soul the living soul is composed also of three parts the mind emotion and will thus man s body could contact things outside and the soul is man s psychological part with his mind emotion and will finally the human spirit contacts god directly also man s human spirit is a container vessel or receptacle to contact god and worship him directly why because god is spirit and those who worship him must worship him in spirit and truthfulness john 4 24
